

# Take It On Faith

Natalie Maines

There's only one road  
In and out of my heart  
I don't know where it ends  
And where it starts

But the night is young  
Younger than we  
So lets burn right and wrong  
I'll forgive you  
And you'll forgive me

Take it on faith  
That I'll be there  
When the pain comes  
And I'll take it all on faith  
That you will try, try not to run  
When it's hard, so hard

I can be on fire  
Yah I can hold my own  
But inside I'm just a girl  
Who's scared to be alone

Today was hard  
But tomorrow's new  
And if you're there for me  
I'll be there for you  
Yes I will see us through

And I'm taking it on faith  
That I'll be there when the pain comes  
And I'll take it on faith  
That you will try, try not to run  
When its hard, so hard

I'll take it on faith that you'll be there  
When the pain comes  
I'll take it all on faith  
That you will try, try not to run  
Take it on faith  
Take it on faith  
Take it on faith  
Take it on faith  
Take it on faith  
Take it on faith  
When it's hard  
So hard
