

# Chasing Cars

Natasha Bedingfield

We'll do it all  
Everything  
On our own  
We don't need  
Anything  
Or anyone

If I lay here  
If I just lay here  
Would you lie with me  
And just forget the world

I don't quite know  
How to say  
How I feel  
Those three words  
Have said too much  
It's not enough

If I lay here  
If I just lay here  
Would you lie with me  
And just forget the world

Forget what we're told  
Before we get too old  
Show me a garden  
That's bursting into life

Let's waste time

Chasing cars  
Around our heads  
I need your grace  
To remind me  
To find my own

If I lay here  
If I just lay here  
Would you lie with me  
And just forget the world

Forget what we're told  
Before we get too old  
Show me a garden  
That's bursting into life

All that I am  
All that I ever was  
Is here in your perfect eyes  
They're all I can see

I don't know where  
Confused about how is well  
Just know that these things will never change  
For us at all

If I lay here  
If I just lay here  
Would you lie with me  
And just forget the world
