

# Young and Carefree

Natasha Thomas

I don't want to worry to much about my life  
We don't want to hurry, no rush noe, we're alright  
Me and my friends, got plantie of time  
Before we have to make up our minds

Don't know what we want to be, la di da di da da dah  
Everybody sing with me, we're young and carefree  
Only living for today, la di da di da da dah  
Tomorrow seems so far away, we're young and carefree  
La di da di da di da, da di da di da da dah  
La di da di da di da  
Young and carefree

I don't want to worry to much, about my life, I just want to  
Sit here with you now, by my side  
I don't want to talk or do anything, let's just kick back  
And enjoy what life brings

We don't know what the future holds (for us)  
If it's good or bad (It's too much)  
So we're just taking it one day at a time, so far it's  
Worked out fine
