Backdoor

Nate Dogg

When your days get lonely (days get lonely) When your nights get cold (nights get cold) When the rain starts pouring (rains starts pouring) When your man aint home (man aint home) You can call me baby (call me baby) You can let me know (let me know) You aint had none lately (had none lately) Lemme in your backdoor (let me in your backdoor)

Meanie walks out the door Meanie act like he dont want you no more You can do the same thang Two can play at this game With his love and you bored He got you doing his chores Minus will be with me You aint nobody's slave When your days get lonely

When your days get lonely (days get lonely) When your nights get cold (nights get cold) When the rain starts pouring (rains starts pouring) When your man aint home (man aint home) You can call me baby (call me baby) You can let me know (let me know) You aint had none lately (had none lately) Lemme in your backdoor (let me in your backdoor)

He aint never gone change He still be playing them games You can do the same thang Girl i won't say a thang If you dont tell, I wont tell We gave in life, what the hell We both want the same thang Aint no need to complain When your days get lonely

When your days get lonely (days get lonely) When your nights get cold (nights get cold) When the rain starts pouring (rains starts pouring) When your man aint home (man aint home) You can call me baby (call me baby) You can let me know (let me know) You aint had none lately (had none lately) Lemme in your backdoor (let me in your backdoor)

When your days get lonely (days get lonely) When your nights get cold (nights get cold) When the rain starts pouring (rains starts pouring) When your man aint home (man aint home) You can call me baby (call me baby) You can let me know (let me know) You aint had none lately (had none lately) Lemme in your backdoor (let me in your backdoor)

When your days get lonely (days get lonely)

When your nights get cold (nights get cold) When the rain starts pouring (rains starts pouring) When your man aint home (man aint home) You can call me baby (call me baby) You can let me know (let me know) You aint had none lately (had none lately) Lemme in your backdoor (let me in your backdoor)
