So mans call for alchohol
Close the door, we dogghouse deep
And we rollin hard

All through the night

Every girl in the car
Gonna get it same way
You say you wanna turn me on

Well you did, lets play
You wanna share it wit a friend
Just admit it, 3-way
Ooh, 3-way, on the freeway
The G way, fuck what he say

All the ladies who like sex like I do
Come up to my room

All my homies who make chips like I do
This ones for you
Ditty Dum, Ditty Doo
