

It's Your Love

Natural

Dancing in the dark, middle of the night
Taking your heart and holding it tight
Emotional touch, touching my skin
And asking you to do what you've been doing all over again

Oh, it's a beautiful thing
Don't think I can keep it all in
I just gotta let you know
What it is that won't let me go

It's your love, it just does something to me
It sends a shock right through me
I can't get enough
And if you wonder about the spell I'm under
Oh, It's your love

Better than I was, more than I am
And all of this happend by taking your hand
And who I am now is who I wanted to be
And now that we're together
I'm stronger than ever, I'm happy and free

Oh, it's a beautiful thing
Don't think I can keep it all in
I just gotta let you know
What it is that won't let me go

It's your love, it just does something to me
It sends a shock right through me
I can't get enough
And if you wonder about the spell I'm under
Oh, It's your love

Oh, it's a beautiful thing
Don't think I can keep it all in
I just gotta let you know
What it is that won't let me go

It's your love, it just does something to me
It sends a shock right through me
I can't get enough
so if you wonder about the spell I'm under
It's your love (say it's your love)
It's your love (it's your love)
It's your love (na...)
