

## Left 2 Right

Natural

Na, na, na, na  
Na, na, na, na  
Na, na, na, na  
Na, na, na, na  
It happens every time I see you  
Something I just can't explain  
My heart stops, skipping a beat  
'Cause baby I wanna dance  
Every time I see you smiling  
I hear music everywhere  
My heart stops, skipping a beat  
'Cause baby I wanna dance  
Can't you see, what you do  
Now I only wanna be with you, oh...  
To the left, to the right  
This girl is out of sight  
I'm going up going down  
You make me feel so light  
Spinning round and round  
So high above the ground  
Girl you keep me up all night  
You got my heart from left 2 right  
Na, na, na, na  
Na, na, na, na  
Na, na, na, na  
Na, na, na, na  
I can picture us together  
Moving, grooving to the beat  
Kissing, dancing all night long  
To my favorite song  
Can't you see, what you do  
Now I only wanna be with you, oh...  
From left 2 right  
From side to side  
Up and down  
Round and round  
Oh  
Can't you see  
All the things  
That you do  
I just wanna be with you  
Na, na, na, na  
Na, na, na, na  
Na, na, na, na  
Na, na, na, na
