

# Come into my life

## Navigators

Come into my life, I got so much love to show you  
Come into my life, Boy I admire you  
x2

David Jassy:

Eh yo, this girl got me curious  
Eyes like brown coffee  
Mysterious, plus her bodyskin got me furious, Delirious  
The kind of girl you want to marry  
Not a secondary

.....

Now she's very very extra ordinary  
Meet her at the library, next to.....  
A vocabulary.....close to a dictionary  
ah, revolution  
Besides the way she walks  
It's to prove she's a pleasure  
The way she talks  
Leaves scars in my heart  
I can't measure  
The quality time she provides  
Bonafide, I pray she stays by my side

Chorus

Andrés Avellan:

Say girl, you been around ..... on my mind  
All week, last night  
I can't front, I couldn't sleep  
Your girl told me that you're feeling so deep  
And plus the eyes baby, they never lie baby  
Caught them by surprise yesterday  
Somehow shady .....  
No good.....  
The look she gave me was more like an invitation  
Can you feel it?  
The energy between us, the temptation?  
I take that smile as a YES  
I tell you what's next  
You and yours plus mine  
..... a lot of success  
.....  
I swear I'll make more beats  
To get you more.....  
Can you feel it?

Chorus

Break:

Come into my life  
I'll open the door for you  
Come into my life  
Boy I adore you

.....

Together as one not two

.....

Boy I adore you
