I'm not addicted to sex

But, girl, I guarantee that if you lay with me

Let me talk to 'em I guess you know you made it when they start talking 'bout you, right? Welcome to fame Y'all don't pay me no mind I just gotta get some stuff off my chest, listen Young, energetic, famous, but don't really sweat it Rich enough, fairly hot; so, basically, sex is not Difficult to get That ain't my fault, no, no, listen And just 'cause I might take advantage once or twice People tell me I'm not right, thinking that sex was my life But that just ain't me So let me clear it up for those who have obviously misread the code Listen to me now No, I, am not I'm not addicted to sex But, girl, I guarantee that if you lay with me You just might be No, I, am not I'm not addicted to sex But, girl, I guarantee that if you lay with me You just might be, yeah I won't apologize for bein' just a little freaky I can't help it; it's just in me But a problem it is not I'm just fine, y'all Don't worry 'bout me Listen And I won't apologize For bein' blessed with the ability to satisfy accurately And quickly find the spot It's a gift and a curse Don't mess around Find my number in your girlfriend's purse No, I, am not I'm not addicted to sex But, girl, I guarantee that if you lay with me You just might be No, I, am not I'm not addicted to sex But, girl, I guarantee that if you lay with me You just might be, yeah I never been shy about myself and sexuality Never been taboo (never been taboo, but if I) Have to live without I know it's something I could do But I just really don't want to No, I, am not

You just might be
No, I, am not
I'm not addicted to sex
But, girl, I guarantee that if you lay with me
You just might be, yeah
