

# Get Down Like That

Ne-Yo

When I'm single it don't really matter who it is  
Or how many I decide to kick it with  
Long as she can understand how I do it  
I'm a man with a very healthy appetite for chicks  
But when I settle down find a woman to live for  
Still may be a couple cuties at my door  
Thinking we could get down like we did before  
And get mad when I tell her  
It can't be like that no more

Girl, you know I got a girl

I just don't get down like that  
I don't get down like that  
Baby you fine, baby you's a dime  
But I just don't get down like that  
I don't get down like that

Understand baby girl that I'm a totally new man  
I don't live to crush as many as I can  
No no  
Found a girl that changed my whole game plan  
She the one (she the one)  
Only one that I'm wanting  
And I know girl I know  
That you really want me back  
I'd be lying if I said I wasn't tempted  
All the things we used to do I kinda miss it  
It ain't nothing you can give as good as this is  
(Girl)

Girl, you know I got a girl

I just don't get down like that  
I don't get down like that  
Baby you fine, baby you's a dime  
But I just don't get down like that  
I don't get down like that

(Baby)

Baby,  
All I can say is I'm sorry  
Since I found me my lady  
To think about cheating would be crazy  
Don't get down baby  
All I can say is I'm sorry  
Since I found me my lady  
To think about cheating would be crazy  
And I don't get down baby

Girl, you know I got a girl

I just don't get down like that  
I don't get down like that  
Baby you fine, baby you's a dime  
But I just don't get down like that

I don't get down like that

You know I got a girl
