

# Lazy Love

Ne-Yo

Oooh my lobby call was 11:30  
I'm officially the opposite of early  
I gotta go downstairs  
Everybody waiting down there for me  
But I roll over into your curly hair  
And sexy body, oh so nice and curvy  
Reminiscing on last night  
Wake up baby, let me get it one more time  
Before, before, before  
I gotta go, I got responsibilities  
I gotta take care of, oh-woah, oh-woah  
That's when you wrap them legs around me  
And I fall victim to that lazy love

Oh, you got that, I don't wanna  
That I don't wanna go nowhere, lazy love  
You got that, I don't wanna  
That I don't wanna do nothing  
You got that lazy love  
Oh, you got that, I don't wanna  
That I don't wanna do nothing  
You got that lazy love  
Oh, you got that, I don't wanna  
That I don't wanna do nothing

Damn baby that was good, I'm gon' hit the shower  
Even though I'm about two hours late  
But I can't help it man  
If they knew what I know, they would understand  
I'm washing last night off, time to boss up  
When suddenly on my back I feel a soft touch  
She's right behind me  
Water glisten off her body  
Looking at me, like 'one more time'  
But baby I gotta go, I got responsibilities  
I gotta take care of, oh-woah, oh-woah  
That's when you wrap them legs around me  
And I fall victim to that lazy love

Oh, you got that, I don't wanna  
That I don't wanna go nowhere, lazy love  
You got that, I don't wanna  
That I don't wanna do nothing  
You got that lazy love  
Oh, you got that, I don't wanna  
That I don't wanna do nothing  
You got that lazy love  
Oh, you got that, I don't wanna  
That I don't wanna do nothing

Ooh I said ooh  
Oooh that lazy love  
Ooh yeah yeah
