

# Lie to Me

Ne-Yo

Lie to me, lie to me, lie to me, lie to me  
Lie to me, lie to me, lie to me, lie

I just wanna be NUMB  
I don't wanna feel a thing  
I don't want reality  
Actually, reality stinks

How about we just pretend  
That your cellphone didn't even ring  
And that I wasn't on the other side of the door  
Listening to everything, tell me another lie

I don't wanna know what I know to be true  
What I need you to do, tell me another lie  
I don't wanna know what I know to be true  
What I need you to do, tell me another lie  
I don't wanna know what I know to be true  
What I need you to do, tell me another lie  
I don't wanna know what I know to be true  
What I need you to do, tell me another lie

Lie to me, lie to me, lie to me, lie to me  
Lie to me, lie to me, lie to me, lie

Please make me believe (make me believe)  
That there's nobody for you BUT me (for you BUT me)  
When I ask who were you talking to  
Tell me it was KIMBERLY

Tell me THAT last night you didn't leave  
After you thought I was asleep  
Krept back in that 6:45  
Tell me it was just a dream

Baby I need (I need), desperately (desperately), desperately (desperately)  
To believe you  
'Cause I won't be held (won't be held), responsible (responsible)  
For what what (what what), what I might do

Baby I need (I need), desperately (desperately), desperately (desperately)  
To believe you  
'Cause I won't be held (won't be held), responsible (responsible)  
For what what, what I might to do me another lie  
(Oh)

I don't wanna know what I know to be true (don't wanna know, don't wanna know)  
What I need you to do, tell me another lie (another lie, yeah)  
I don't wanna know what I know to be true  
What I need you to do, tell me another lie (oh, tell me another lie)  
I don't wanna know what I know to be true (don't wanna know, no no)  
What I need you to do, tell me another lie (tell me a lie)  
I don't wanna know what I know to be true (hey, hey, hey, hey)  
What I need you to do, tell me another lie

Tell me another lie

Tell me another lie  
Tell me another lie  
Tell me another lie

I don't wanna know what I know to be true  
What I need you to do, tell me another lie  
I don't wanna know what I know to be true  
What I need you to do, tell me another lie  
I don't wanna know what I know to be true  
What I need you to do, tell me another lie  
I don't wanna know what I know to be true  
What I need you to do, tell me another lie
