You know from the moment she turned around She knows how to back it up and drop it down She knows, she wants all the fellas looking at her Cause they know as soon as our song come, it's a wrap

Does she love the attention?

Does she get it when she moves?

She loves the attention that she get when she move Showin' out with her homegirls

Hypnotizing all the dudes

She knows
She knows
I know, I know, she knows
And I know, I know, she knows

She bad
So bad, I just couldn't let her pass me
I told her, shawty
You so right, but you so wrong
She said, daddy, I'll be back after this song
Then you're taking me home

She loves the attention that she get when she move Showin' out with her homegirls Hypnotizing all the dudes

She knows
She knows
I know, I know, she knows
And I know, I know, she knows

(rap)

She loves the attention that she get when she move Showin' out with her homegirls Hypnotizing all the dudes

She knows
She knows
I know, I know, she knows
And I know, I know, she knows
