

This is one of the Safest Places  
Of This World So Immune  
I Am Neither Scared Nor Desperate  
I Enjoy Every Breath of Life

You are the One  
Another Life Spending Sun  
Precious Gifts We Get from You  
Exploitation and Torture is Our Gratitude  
Ignorance and Neglect  
Is How We Pay you Back

Earth Mother Will not Revenge, No!  
She will Feed Us Forevermore

Growth and Endless Resource  
Illusions (That) Leave Us Unafraid  
Scorching Trees and Poisoning Skies  
Nightmare, Future, Reality

We Burn and Rape and Grind You  
Your Silent Tears Will Not be Seen  
We Kill you and Thus Murder Ourselves  
Your Silent Screams Will Not be Heard

Earth Mother Will Not Revenge, No!  
She Will Feed Us Forevermore

Ignorance and Neglect  
Is How We Pay You Back

[Chorus]
