Ears deaf - eyes blind Mouth shut Day by day Victim after victim Blood runs softly down the screen Degenerating For the lifeless and the weak Degenerated Minds off - heart cold Into the state that leaves the blind unvoiced More illusions - (more viewing figures) The great rebellion against reality Truth versus media Obey the Pied Piper of this century There are barricades instead of trails And walls instead of bridges Walls instead of bridges - I can't fight no more Walls instead of bridges - Shall I fight for Walls instead of bridges - For this fucking doom? Walls instead of bridges Tear them down It's time to wake up No longer be a part of this nightmare In which violence and lies dominate
