

Extreme Unction

Necrophagist

The light is fading without any halt
Expiration is now imminent, pain...
Silent prayers I perceive don't ease my pain
Seconds like infinity, pain...
There is no light, pain...
To the darkside, pain...

Extreme Unction

The light is fading without any halt
Expiration is now imminent, pain...
Silent prayers I perceive don't ease my pain
Seconds like infinity, pain...
There is no light, pain...
To the darkside, pain...

Extreme Unction
