

VANITAS VANITATUM

Nega

Kono mama ikiru koto sae munashisa ni furete
sunadokei kowaseta nara
yurameku yoku o nazotte munashiki "ai" to
kusatta "ringo" no you

Death throes
I cannot back
But I have no hope
Why was I born to me?
Breakdown
I can't stop me
But I know that's bad
Why do I repeat it?
