Distant Camera

The flash from a distant camera Reconnecting thoughts and actions Fragments of our missing dream Pieces from here and there Fall in place along the line Disappearing between you and me

Life is changing everywhere I go New things and old both disappear If life is a photograph fading in the mirror All I want is a song of love Song of love to sing for you All I need is this song of love To sing for you.

On the floor where daylight dances With the ones that missed their chances When they couldn't let it show Lies the land of sweet surrender Like a dream it might have ended there But we didn't even know

Now forever we will live as one, Floating in love's atmosphere If love is a piece of dust shining in the sun, All I want is a song of love Song of love to sing to you All I need is this song for love To sing for you

Song of love Song of love
