

On the Road Again

Neil Young

On the road again -
Just can't wait to get on the road again.
The life I love is making music with my friends

And I can't wait to get on the road again.
On the road again

Goin' places that I've never been.
Seein' things that I may never see again

And I can't wait to get on the road again.
On the road again -
Like a band of gypsies we go down the highway
We're the best of friends.
Insisting that the world keep turning our way

And our way
is on the road again.
Just can't wait to get on the road again.
The life I love is makin' music with my friends

And I can't wait to get on the road again.
On the road again

Like a band of gypsies we go down the highway
We're the best of friends

Insisting that the world keep turning our way

And our way
is on the road again.
Just can't wait to get on the road again.
The life I love is makin' music with my friends

And I can't wait to get on the road again.
And I can't wait to get on the road again.
