Sometimes I think that I know What love's all about And when I see the light I know I'll be all right.

I've got my friends in the world, I had my friends When we were boys and girls And the secrets came unfurled.

City of brotherly love
Place I call home
Don't turn your back on me
I don't want to be alone
Love lasts forever.

Someone is talking to me, Calling my name Tell me I'm not to blame I won't be ashamed of love.

Philadelphia, City of brotherly love. Brotherly love.

Sometimes I think that I know What love's all about And when I see the light I know I'll be all right. Philadelphia.
