We met in the springtime When blossoms unfold The pastures were green and Meadows were gold

Our love was in flower as summer grew on A love like the leaves has withered and gone The roses have faded There's frost at my door The birds in the morning don't sing anymore

The grass in the valley has started to die Out in the darkness the whippets will cry

Alone and forsaken
Oh lord if you hear me then hold to my hand
Oh please understand

Where has she gone to, oh where can she be She may have forsaken some other like me She promised to honor, to love and obey Each vow was a plaything that she threw away

The darkness is falling
The sky has turned gray
A hound in the distance is starting to bay

I wonder, I wonder what she's thinking of Forsaken, forgotten without any love

Alone and forsaken

By Fate and by man

Oh lord if you hear me then hold to my hand

Oh please understand

Oh please understand
