

## Row

## Nekrogoblikon

Ooh I'm enraged, yeah  
Jammin' at the Devil's door!  
We've never been too good (Woo)!  
But now  
We're not getting my tour of  
Hell now  
(We ain't got time for you!)

Row!  
I wish you would have been told  
What our friend had done  
I would have been much more careful  
But the damage can't be undone  
Well enjoy my self  
Well isn't that a shock  
Now that I'm reaching down my-  
Don't you wonder now what the  
Devil's in store for me?

Well the vision of a cross  
Impaling my throat (woah-oh)!  
Sucks now!  
Well they got me on the floor  
Looking at a ship  
Oh what did I do?

Look in your eyes  
It's time now  
They finally figured it out  
(All I gotta do is...)

Row!  
You must obey your master!  
Row!  
Your bones are breaking while you-  
Row!  
We should be going faster  
Row!  
The whip will crack your back now  
Row!

Ten years ago today  
Every one of us began a slave  
But now we don't mind  
We just wanna sit down  
And go  
Just sit back and watch  
The show  
But the show is made of  
Us who wouldn't bow  
I wouldn't bow  
What the future holds for me...

Row!  
Chain me to the boat  
Take away my phone  
Bludgeoning my soul

Now we'll have to go

Screaming in pain they cry for home  
But there's nowhere to go  
And nothing to do  
But row-row-row  
Row-row-row

We're rowing nowhere fast and  
The guide saw the wings  
But I can't feel the wind  
So row, row, row  
Row-row-row

Two thousand years of songs  
Well we've only just begun  
What a barrel of fun  
Row-row-row  
Row-row-row

We never said that we would row  
And now we're chained  
From stern to bow  
Now row-row-row!  
Row-row-row

Nothing left to do but-

Row!  
You must obey your master!  
Row!  
Your bones are breaking while you-  
Row!  
We should be going faster  
Row!  
The whip will crack your back now  
Row!

And everything you thought was true  
And now the sin of your soul  
Will tell us go- you can't move  
I never said that I would row  
It didn't matter
