

The Many Faces of Dr. Hubert Malbec

Nekrogoblikon

Hey now, what do you know?
It's time to again
Time to go pretend
(never to go back)!
They never had a world want us
Everything is awkward-
Please don't look me in the eye!
Out of my way, for I
Never had a soul
Now my head's
About to fucking explode!

What a wonderful time
To try to find
A way to keep it
Bottled up inside!

How long can I hold on
To this mask of sanity?
What is happening to me?
How long can I fool the world?
How long can I fool the world?

Every day of my life is the goddamned same
'Yes sir, no sir, thank you now!
How do you do
Have you got the time?'
No, No, No, No!
I do not believe there's
Any saving me!
(Do you wish there was?)

What a wonderful time
To try to find
A way to keep it
Bottled up inside!

How long can I hold on
To this mask of sanity?
What is happening to me?
How long can I fool the world?
How long can I fool the world?

How long can I hold on
To this mask of sanity?
What is happening to me?
How long can I fool the world?
How long can I fool the world?

I cannot imagine
The gall it took
To say what you said!
(Say what you said!)
But nevertheless you're a fool
And I will never see the world
The same way as you-
Don't seem to appreciate the world!

Well I got a lot of shit to do!
Look what has messed up for this time
I'll just be passing through!

How long can I hold on
To this mask of sanity?
What is happening to me?
How long can I fool the world?
How long can I fool the world?
(Will I fool the world?)

How long can I hold on
To this goddamned state of mind
(Losing one thing at a time)?
How long can I fool the world?
How long can I fool the world?
