Yin yin yin yin yin yin yin yin yin yin yin yin yin
Yin yin yin yin yin yin yin yin yin yin yin yin yin

I'm all about the yin
And maybe just a little bit o' yang too
Surfin' on despair
Watch I'm gonna hang 10
You don't think I'm a daredevil
But guess what motherf*cker
I don't care at all
I can't recall when you won the prize
For the biggest motherf*ckin' douchebag alive
Don't talk to me about nothin'
I've done more of that than you could ever dream

What's your nightmare? I really wanna know

To realize, to be comfortable
Is the enemy
But not being comfortable admitting that
Well, I think that's something we all can see
But you're the expert
And I'm just me
I never thought o'hate when I saw your face
Then I learned to live
And I forgot to love

Maybe now I'm above your sense of moral justice
Kissing lips of dirty crusty no thanks
I'd rather take my chances
Topple-launch-smashing your advances
Into nightmares we're descending
Into nightmares never ending

Yin yin yin yin yin yin yin yin yin yin yin yin yin
Yin yin yin yin yin yin yin yin yin yin yin yin yin
Yin yin yin yin yin yin yin yin yin yin yin yin yin
Yin yin yin yin yin yin yin yin yin yin yin yin yin

Yin yin yin yin
Yin yin yin yin
Yin yin yin yin
Yin yin yin yin

To realize, to be comfortable
Is the enemy
But not being comfortable admitting that
Well, I think that's something we all can see
But you're the f*cking expert
And I'm just me
Yes that's right
I'm still just me

My friend yang well he told me not to cry
My friend yang well he said now "please don't cry"

Please don't cry!
