Close Your Eyes

Nellie McKay

Close your eyes Rest your head on my shoulder and sleep Close your eyes And I will close mine

Close your eyes Let's pretend that we're both counting sheep Close your eyes This is divine

Music play Something dreamy for dancing While we're here romancing It's love's holiday And love will be our guide

Close your Eyes When you open them dear I'll be near by your side So won't you close your eyes

Music play ?? playing It's a lover's holiday And our love will show us the way

Close your eyes And ?? vision this vision I see You and me Let's close your eyes

Close your eyes Rest your head on my shoulder and sleep Close your eyes I will close mine

Close your eyes Let's pretend that we're both counting sheep Close your eyes This is divine

Music play Something dreamy for dancing While we're here romancing And it's love's holiday And our love will be our guide

Close your eyes When you open them dear I'll be near by your side So won't you close your eyes

Close your eyes Close your eyes Close your eyes Close your eyes Close your eyes Close your eyes Close your eyes Close your eyes
