

# Tap Dancing

Nelly Furtado

Tap dancing, falling over my own two feet  
Hoping that you like what you see  
In

I'm tap dancing, making up the moves as I go along  
Forgetting all the words to my song  
Until I cry

Just doing what I can for you to like me  
Hiding the clown I am deep down inside me

Don't look too closely, just clap your hands

Don't say you know me, just  
Let me tap dance for you  
Let me tap dance for you

Tap dancing over all the marbles on the floor

Forgetting that I might be something more than a smile  
I'm tap dancing for too much  
Maybe I should just give it up for

And let the curtain fall and face the ugly  
Shouldn't at all for you to love me

Don't look too closely, just clap your hands  
Don't say you know me, just  
Let me tap dance for you  
Let me tap dance for you

I really wanna take off these shoes  
But I'm afraid of the truth  
That I'm not enough for you

So don't look too closely, just understand  
Don't say you know me  
Let me tap dance for you  
Let me tap dance for you

I'm gonna tap dance for you  
Tap dance  
For you
