

# Caught In The Middle

Nemesea

Boiling panic  
I'm alone, caught in the middle  
Raving envy  
It is all I have  
Anxious moments  
I'm feeling lost, caught in the middle  
Yearning, longing  
'Cause it is all I want

Brutal power  
It keeps me locked, caught in the middle  
Raging danger  
And I have lost control  
Dying, I'm craving  
I'm still alone, caught in the middle  
Killing passions  
And I have nothing left

I want to know what it takes to find  
Some peace of mind  
There where I want to be  
Yes I know, nothing comes for free  
Just let me see  
What is right for me

Burning poison  
Here I am, caught in the middle  
Choking venom  
Is taking all I have  
Blackened visions  
They keep me trapped, caught in the middle  
Missing pieces  
I don't know where to go

I want to know what it takes to find  
Some peace of mind  
There where I want to be  
Yes I know, nothing comes for free  
Just let me see  
What is right for me

What's it like to be the best  
What does it take to make it last  
Many doubts have crossed my mind, but I know I have to try  
What's the point in giving up  
When you know you'll never stop anyway

Now I know what it takes to find  
My peace of mind  
It's right here in front of me  
Yes I know strength will be my key  
It comes for free  
It is right for me

I want to know what it takes to find  
Some peace of mind  
There where I want to be

Yes I know, nothing comes for free  
Just let me see  
What is right for me

Now I know what it takes to find  
My peace of mind  
It's right here in front of me  
Yes I know strength will be my key  
It comes for free  
It is right for me
