

Heart: Decay

Neon Indian

Umm... I couldn't recall
Whether you... had...
Shut yourself away from
The rest of the world
In a world where
It's his own world
If it's not
Then I feel like talking to you
I have no idea what time it is where you are, but...
I feel like talking to you
I always call
Umm...
Isolation's much so much fun
Keeping up with other people
Anyway, I hope you're uh...
I hope you feel good
Okay, bye
