

Welcome To The Jungle

Neon Jungle

Tonight I'll hunt you down
Boy can you make me growl?
With the wild things on the prowl
Welcome to the jungle
(Oh oh oh oh oh, oh oh oh oh oh,
Oh oh oh oh oh, oh oh oh oh oh oh)
Welcome to the jungle
(Oh oh oh oh oh, oh oh oh oh oh,
Oh oh oh oh oh, oh oh oh oh oh oh)

Welcome to the jungle

La la la la la la
La da la di hands on my body
La la la la la la oh just love me down
La la la la la la
La da da di hands on my body
La la la la la la oh just love me down

See that boy hit me up at a bar
Dark and smooth like a jaguar
Ask one time and I'll make you my star
(And you know you want to)
If you wanna get deep in the club
Must rough it up gimme that jungle love
Only one winner one bad man tough
(And you know I want you)

Tonight I'll hunt you down
Boy can you make me growl?
With the wild things on the prowl
Welcome to the jungle
(Oh oh oh oh oh, oh oh oh oh oh,
Oh oh oh oh oh, oh oh oh oh oh oh)
Welcome to the jungle
(Oh oh oh oh oh, oh oh oh oh oh,
Oh oh oh oh oh, oh oh oh oh oh oh)

Welcome to the jungle

La la la la la la
La da da di hands on my body
La la la la la la oh just love me down
La la la la la la
La da da di hands on my body
La la la la la la oh just love me down

When you're hungry then I'll be your cow
Come now help make the kitty cat purr
Top of the food chain, top of the world
(And you know you want to)
On your cruise unpredictable
One on one, done wild animal
Instinct kicks and I can't control
(And you know I want you)

Welcome to the jungle

Beat it up like Rocky no A\$AP
Cut game like 8 track
You want that I stay strapped
You knocked down, don't say that
Super faded, ready gone
She super bad, highly wrong
Do your dance when they play my song
Excuse me shorty, you o-o-owned
True trilled and I'm sorry
Got two seats in this 'rarri
For this pussy popping safari
So fuck her let's party
It's two cliques, one crew
Two two's and my two coops
Girl do you but let me too

Welcome to the jungle
(Oh oh oh oh oh, oh oh oh oh oh,
Oh oh oh oh oh, oh oh oh oh oh oh)
Welcome to the jungle
(Oh oh oh oh oh, oh oh oh oh oh,
Oh oh oh oh oh, oh oh oh oh oh oh)

Tonight I'll hunt you down
Boy can you make me growl?
With the wild things on the prowl
Welcome to the jungle.
