## 007 Is Also Gonna Die

## Nephew

What is black and what is brown What is field and what is town What is silence what is shout What is fear and what is doubt

Double-o-seven is also gonna die Bond James Bond himself is bound to die Double-o-seven is also gonna die Bond James Bond himself is bound to die

What is less in less is more What if god won Dt bless the whore What if words like boy and girl Did not rhyme with joy and whirl

Double-o-seven is also gonna die Bond James Bond himself is bound to die Double-o-seven is also gonna die Bond James Bond himself is bound to die
