

# Count On Me

Nerina Pallot

When you've stayed up all night  
When you're feeling uptight  
Can't tell the darkness from the light  
When you've been dumb and you feel blue  
I will still stick with you  
Who hasn't done some stupid shit too?  
It's true  
When you know that you've lost  
Every last thing you've got  
I've got your back, I've got your back

So don't be dismayed  
It's alright, it's ok

One thing, don't change  
One thing is the same  
One thing remains, you can count on me  
Count on me  
Count on me  
Count on me, yeaaaaah  
Count on me  
Count on me  
Count on me

When you don't know why you hurt  
But you know that nothing works  
I promise not to be a jerk to you  
Like the animals, two by two  
You can live inside my zoo  
There's nothing that I won't do for you  
I'd do anything for you, yeah

So don't be dismayed  
Hey, don't you feel, feel afraid

One thing, don't change  
One thing is the same  
One thing remains, you can count on me  
Count on me  
Count on me  
Count on me, yeaaaaah  
Count on me  
Count on me  
Count on me

So don't be dismayed  
Hey, don't you feel, feel afraid

One thing, don't change  
One thing is the same  
One thing remains, you can count on me  
Count on me  
Count on me  
Count on me, yeaaaaah  
Count on me  
Count on me  
Count on me, ooooooh

Count on me  
Count on me  
Count on me  
Count on me  
Count on me  
Count on me  
Count on me  
Count on me  
Count on me  
Count on me  
Count on me  
Count on me

Count on me (You can call me up)  
Count on me (You can count on me)  
Count on me (I'll be the best friend you ever had)  
Count on me (You will see)

Count on me (You can call me up)  
Count on me (You can count on me)  
Count on me (I'll be the best friend you ever had)  
Count on me (You will see)
