

## How Do We Cope

Nerina Pallot

I've been thinking things, thinking things, thinking things over

It's been sickening, sickening, sickening me  
Maybe this, maybe that, maybe yes, maybe I don't know  
Maybe you shouldn't say things that you don't believe

You say you feel it  
But I don't really think that you mean it, no  
But how do we cope, how do we cope, how do we cope?  
How do we cope, how do we cope, how do we cope?

I know this, know this, know this much for the asking  
I see things that nobody else ever sees  
And it's so beautiful, beautiful, beautiful darling  
But just you, just you, just get away from me

We say we're sinking  
Let's put your lover out from thinking straight  
But how do we cope, how do we cope, how do we cope?  
How do we cope, how do we cope, how do we cope?  
How do we cope when the light is failing?  
How do we know what way to go?

'Cause my heart beats like an express train  
I don't know if I'll be back again  
But I don't know where to go  
I don't know where to go  
I don't know where to go

How do we cope, how do we cope, how do we cope?  
How do we cope, how do we cope, how do we cope?  
Tell me, tell me, how do we cope when the light is failing?  
And how do we know what way to go, what way to go?  
How do we cope?
