

I'm Gonna Be Your Man

Nerina Pallot

Sister Rose and Sister Katie
They came along to complicate me
They said, "listen kid, you're just not trying"
I said "I won't bite, I'm not buying, no"

I'm gonna be your man
I'm gonna be your man
I'm gonna be your man
Oh yes I am

Coo coo coo ka-choo
Coo coo coo ka-choo-ooh-ooh-ooh
You get born, you die, you wonder why
You're born and then you die
Coo coo coo ka-choo
Coo coo coo ka-choo-ooh-ooh-ooh

All these chicks with their guitars, they
Sing of torture, sing of stars
I say "shit will happen, yes it can
You gotta, take the punches, understand?"

And learn to be your man
I'm gonna be your man
I'm gonna be your man
Oh yes I am

Coo coo coo ka-choo
Coo coo coo ka-choo-ooh-ooh-ooh
You get born, you die, you wonder why
You're born and then you die
Coo coo coo ka-choo
Coo coo coo ka-choo-ooh-ooh-ooh, come on now!

I'm gonna be your man (I'm gonna be your man)
I'm gonna be your man
I'm gonna be your man

Oh yes I am

You're born, you die, you're gonna, you're born, you die, you're
e born to die...
