

# Man Didn't Walk on the Moon

Nerina Pallot

I don't know what to do  
I don't know what to say  
Every time that you  
You look at me that way  
You can take your shirt off, put a record on  
Turn the night up we can go til dawn  
Drinking it down like we know what to do with it

Oh yeah oh yeah you could tell me  
Man didn't walk on the moon and I'd believe you  
Oh yeah oh yeah I don't care  
Cause I just wanna get with you soon  
Oh yeah oh yeah you could tell me  
Man didn't walk on the moon  
When you do what you do 'cause you do it all so well

I don't know what to do  
You stand too close to me  
I've got a cartoon heart and a soda stream  
Baby you and me we're a young love's dream  
Drinking it down like we know what to do with it

Oh yeah oh yeah you could tell me  
Man didn't walk on the moon and I'd believe you

Oh yeah oh yeah I don't care  
Cause I just wanna get with you soon  
Oh yeah oh yeah you could tell me  
Man didn't walk on the moon  
When you do what you do yeah you do what yo do  
Oh you do what you do yeah you do what you do so well

I've got a counterfeit heart if you know what I mean  
Baby look at us we're just young love's dream  
Drinking it down like we know what to do with it

Oh yeah oh yeah you could tell me  
Man didn't walk on the moon and I'd believe you  
Oh yeah oh yeah I don't care  
'Cause I just wanna get with you soon  
Oh yeah oh yeah you could tell me  
I'm a fool for you boy, I'm a fool for you baby  
I'll do anything you say now, you can tell me anything you like  
, anything you like
