

# No. 1

Nesian Mystik

[Chorus: Awa]

So crazy, my heart is racing  
To win your love  
Ooh lady, you got me waiting  
Want to be Number 1

[Chorus: Oldwun]

That's just the way you got me,  
Just the way ya make me feel  
When I'm around you girl,  
I pinch myself to check it's real  
Had enough of daydreamin',  
Open up and let me in  
(I want to be Number 1)

[Verse 1: Awa]

Falling so fast  
That I can't hold back  
On a one way course to you  
Losing control  
My lust on turbo  
Blind spot's my view  
Hope there's no dead end  
Gonna keep on trying  
Won't give in  
Maybe it's around the bend  
I know you ain't easy  
Let's see what happens

[Chorus]

[Verse 2: Oldwun]

Ain't one of them "Dime a dozen,  
Ain't passin me by to often  
A catch like you is a once in  
A lifetime thing like Hayleys Comet  
Ain't lettin you pass me by,  
Ain't misreadin' your signs  
You got me stuck at the red,  
Waitin for that green light  
Just know that I'm in it to win it,  
There ain't no 2nd place  
And you know that I ain't gon' give in,  
Silver just ain't the same  
No it ain't the same, no, no and I ain't playin  
And I ain't givin up, till I'm your No.1

[Chorus]

[Bridge:]

Oohh...  
Number 1  
Oohh yeah...

[Chorus]
