

## Lost Without You

**Netsky**

There's no way that I could go through all the things  
I'm going through right now without you  
[2x]

There's no way that I could go through all the things  
I'm going through right now without you  
[2x]

I can't...  
I can't do it without you  
[5x]

I need somebody to love me the way you used to do [2x]

There's no way that I could go through all the things  
I'm going through right now without you
