

# Finger On The Trigger

## Never Heard of It

So tell me what you want to be  
Tell me are you're listening?  
Tell me all the things you felt before you let them inside your head  
Tell me what you're fighting for  
Do you have a reason?  
Let me turn you inside out if your inside out of me here before

Stuck inside this same revolving door  
It's turning me and bringing me back to  
Outside walking to the corner store  
If I can just make it through the night

Whoa, whoa  
Whoa, whoa  
My finger's stuck on the trigger  
Your hands are up in the air  
Whoa, whoa  
Whoa, whoa  
I'm losing energy  
I'm going anywhere

So tell me who you want to be  
Tell me are you're listening?  
I'll tell you all the things I felt before I let them control my head  
Tell me what you're waiting for  
I'll tell you that I'm leaving  
I'm leaving while I'm inside out  
You turned me inside out

I won't take your poison anymore  
My mind is my cigarette burning  
Empty whiskey bottles on the floor  
Trying to make it through the night

Whoa, whoa  
Whoa, whoa  
My finger's stuck on the trigger  
Your hands are up in the air  
Whoa, whoa  
Whoa, whoa  
I'm losing energy  
I'm going anywhere

I'll be your heartache  
Running  
Running  
Running from you  
(Running, running, I'm running)  
Running  
Running  
Running from you  
(Running, running, I'm running)  
Running  
Running

I can't take this silence anymore  
(I can't take this silence anymore)

I can't take this silence anymore  
(I can't take this silence anymore)

Whoa, whoa  
Whoa, whoa  
My finger's stuck on the trigger  
Your hands are up in the air  
Whoa, whoa  
Whoa, whoa  
I'm losing energy  
I'm going anywhere

Whoa, whoa  
Whoa, whoa  
My finger's stuck on the trigger  
Your hands are up in the air  
Whoa, whoa  
Whoa, whoa  
I'm losing energy  
I'm going anywhere
