

California

Never Shout Never

Oh my god, I.
Had the most amazing time
last night, I dreamt I saw you again
That's when the flashbacks started to begin..

They started slow,
But they picked up fast,
So I got off my ass, And
I ran away.. to Californ-i-a
Lalalalalalalalalala
Californ-i-a

Oh My god I,
Should've never let you leave
My side should have never
Left you alone, It probably
seems like I'm never coming home

But I'm so lost,
Living life fast,
Please get off
your ass, so
I won't waste
Away in Californ-i-a
Lalalalalalalalala
Californ-i-a

Just so you know,
I'm never coming home
I'm having a great day..
In Californ-i-a
