```
I love you one, a two, a three shoobeedoo.
I love you four, that's more then I can afford and I can tell someday that I'm gonna say the truth.
I love you 5
```

I've been walkin' around tryin' to figure out why I've been feelin' all these feelings that I'm feeling now and I've got more on my mind then I have on my plate.

I love you one, a two, a three shoobeedoo.

I love you four, thats more then I can afford and I can tell someday that I'm gonna say the truth.

I love five times more then any boy from before, because all they cared about was whether you put out. And I truely believe, (truely believe) that this love could be (that this love...) and I can count five times off the top off my head where I suck ed it in cause you were hangin with him and I got something to say, I lo ve you all the same

I love you one, a two, a three shoobeedoo.
I love you four, thats more then I can afford and I can tell someday I'm gonna say the truth.
(yeaaah)

I love you one, a two, a three shoobeedoo.
I love you four, thats more then I can afford
and I can tell someday I'm gonna say the truth.
I love you 5 (ba ba bada) I love you 5 (ba ba bada) I love you
