

The Greatest One

Neverending White Lights

Miss you the most
All the time I spend here alone
Now I'm missing those eyes
All the times they cried

Missing all the things I find
When I'm wishing for you all the time
Love, I

I forgot to tell you, I forgot to tell you
I forgot to tell you that you were the greatest one
you were the greatest one, you were the greatest one

Hang my head up high
And I see you eyes, come down from there
Made my head go blind
See the love was there, that you'll never find now
All the times I find they get away from you sometimes

I've seen it in you, I've seen it in you
Oh, where did you go?
I've seen it in you, I've seen it in you
Oh where did you go?

I forgot to tell you, I forgot to tell you
I forgot to tell you, I forgot to tell you

I've seen it in you, I've seen it in you
Oh, where did you go?
I've seen it in you, I've seen it in you
Oh where did you go?

There's no way outta here, so long, so long
There's no way outta here, there's no way outta here
There's no way outta here, so long, so long, so long

If I can't let you go
If I don't tell you so
If I don't make it known
That you were the greatest one

You were the greatest one
You were the greatest one
