

Emotional Champ

New Buffalo

We are one, we are
Two people inside one body
Our own disgrace
Emotional champ so sorry

No sleep tonight
Only sweet reminders
Say keep tonight
Cause it's all I wanna
Do

We are one we are
Shaping signs from nothing
We are done we are
Forgetting this means everything

No sleep tonight
Only sweet reminders
Say keep tonight cause it's all I wanna
Do

All I wanna do
Emotional champ so sorry
All I wanna do
Emotional champ so sorry
