

# I'm Still In Love With You

New Edition

Still in love.  
Still in love baby. Listen.

Oh, what can I do, girl?  
So much in love, girl.  
But your friends got you thinking and it's affecting you.  
What can I do, girl?  
So in love, girl.  
And I don't know what to do 'cause I don't want to lose you.  
No, what would I do without your love?  
Baby it's heaven sent from above.  
So you don't believe what your friends tell you about me.

I'm still the man for you.  
And I'm still the man that's true.  
And I'm still the man who's lucky.  
And I'm still in love with you.  
It don't matter what your friends do.  
They're just jealous of me and you.  
And I'll always keep you happy,  
'cause I'm still in love with you.  
Oh, yeah. I'm still in love.  
Yeah, ooh.

Time passes so fast, babe.  
I wish it would last babe.  
'Cause I know in my heart  
that my life ends and starts with you, babe.  
And baby, I know that this feel'in I'm feelin'  
just won't let me go away.  
'Cause you're the first true love I've ever known.  
So what would I do without your love?  
Baby, it's heaven sent from above.  
And I know that in my heart I'm the best for you.

I'm still the man for you.  
And I'm still the man that's true.  
And I'm still the man who's lucky.  
And I'm still in love with you.  
It don't matter what your friends do.  
They're just jealous of me and you.  
And I'll always keep you happy,  
'cause I'm still in love with you.  
Oh, what can I do to right this wrong?  
I know that it makes me happy to be in love with you.

So... I'm still the man for you.  
And I'm still the man that's true.  
And I'm still the man who's lucky.  
And I'm still in love with you.  
It don't matter what your friends do.  
They're just jealous of me and you.  
And I'll always keep you happy,  
'cause I'm still in love with you.

I'm still the man for you.  
And I'm still the man that's true.

And I'm still the man who's lucky.  
And I'm still in love with you.  
It don't matter what your friends do.  
They're just jealous of me and you.  
And I'll always keep you happy,  
'cause I'm still in love with you.
