

# I Hope I Didn't Just Give Away the Ending

New Radicals

She wanted to be a nun  
Until that fateful day we met  
I beat the crucifix  
In a game of russian roulette  
I burned my beatles records  
Because she hated number nine  
She licked rock cocaine suckers  
Laughed, said her mom's doing mine  
Well... are you an illusion  
Or am i just getting stoned  
Because i can't take it alone  
I can't take it alone  
I hope i didn't just give away the ending  
We started limping  
Caught the handicap shuttle to town  
And yelled "god's healed us"  
As we ran off the bus the driver just frowned  
By the way this girl was sexy and she wouldn't touch you  
That may not be true  
But i said it so you'd feel involved with the song  
Are you an illusion  
Or am i just getting stoned  
Because i can't take it alone  
I can't take it alone  
I hope i didn't just give away the ending  
We caught a fey taxi driver  
I smiled the ride was free  
I felt like amsterdam  
She wanted more drugs and maybe me  
I told her dealer i was broke  
He hired a cameraman  
We did a porno film for coke  
I hear i'm big in japan  
Are you an illusion  
Or am i just getting stoned  
Because i can't take it alone  
I can't take it alone  
I hope I didn't just give away the ending  
We went back to her kitchen  
Put the coke all in a can  
Tied up a t.v. minister  
In walked her dad  
He started drinking coffee  
Too much sugar on the go  
He fell dead on the floor  
He thought the coke was sweet 'n low  
Well are you an illusion  
Or am I just getting stoned  
Boy was she upset but then she stole her dad's wallet and  
I drove him to the hospital  
To sell all his donatable body parts  
And this is when she dies  
They brought a depressed junkie in  
She shot his Cyanide up  
I guess she thought it was errol flynn  
I'm blamed in confusion  
The police being phoned

I don't even love you  
We weren't even friends  
It's just that i can't take it alone  
I can't take it alone  
Uh huh  
I can't take it alone  
I hope I didn't just give away the ending  
I hope I didn't just give away the ending  
I hope I didn't just give away the ending  
I hope I didn't just give away the ending  
I hope I didn't just give away the ending  
I hope I didn't just give away the ending  
Aw Jesus, ah shit  
I think I just gave away the ending
