## Can't Keep A Good Man Down

NewSong

Nah, nah, nah, nah, nah Nah, nah, nah, nah, nah, nah, nah Nah, nah, nah, nah, nah

He said goodbye to the angels of heaven And He came to earth as a common man He taught us how we could love one another There was healing in His hands There were those who believed and followed Him And there were those who wanted Him dead They thought the grave would silence Him forever But they found out instead

You can close your eyes You can say it's a lie You can stick your head in the sand You can turn away, even try to explain He was just another man When they nailed Him to the cross by His hands and feet and they put Him in the ground Three days later everybody found out that you can't No you can't keep a good man down, no No you can't keep a good man down

I hear you say that it all sounds crazy It's a good story but it can't be true How could a man who was dead and buried Mean a thing to me and you Here we are two thousand years later and still the choice is just the same You can say that you don't believe it But it doesn't change a thing

You can close your eyes You can say it's a lie You can stick your head in the sand You can turn away, even try to explain He was just another man When they nailed Him to the cross by His hands and feet and they put Him in the ground Three days later everybody found out that you can't No you can't keep a good man down, no No you can't keep a good man down

I can take you to the hill where they hung Him on the cross I can take you to the empty tomb I can tell you He's alive 'cause He lives in me But the rest is up to you

Nah, nah, nah, nah, nah Nah, nah, nah, nah, nah, nah, nah Nah, nah, nah, nah, nah

You can close your eyes You can say it's a lie You can stick your head in the sand You can turn away, even try to explain He was just another man When they nailed Him to the cross by His hands and feet and they put Him in the ground Three days later everybody found out that you can't No you can't keep a good man down, no No you can't keep a good man down

Nah, nah, nah, nah, nah Nah, nah, nah, nah, nah, nah, nah Nah, nah, nah, nah, nah

Nah, nah, nah, nah, nah Nah, nah, nah, nah, nah, nah, nah Nah, nah, nah, nah, nah

Nah, nah, nah, nah, nah Nah, nah, nah, nah, nah, nah, nah Nah, nah, nah, nah, nah
