

Give Yourself Away

NewSong

When you find someone in trouble
And you don't know what to say
The best thing you can do for them
Is to give yourself away

Lend a hand to lift the broken
Let your heart break when God's heart breaks
Speak up for those who have no voice
And give yourself away

Give yourself away
Be the hands and feet of Jesus
Give yourself away
Go out and make a world of difference
Let this be the day you see how far His love reaches
The greatest sacrifice of all
Is to give yourself away

Jesus saw us in our suffering
He saw the debt that sin had made
And on that cruel and fateful cross
He gave himself away

Jesus knew what love would cost Him
A price that only He could pay
And though they ridiculed and spat on Him
He gave Himself away

Give yourself away
Be the hands and feet of Jesus
Give yourself away
Go out and make a world of difference
Let this be the day you see how far His love reaches
The greatest sacrifice of all
Is to give yourself away
The greatest sacrifice of all
Is to give yourself away

So don't hold back
Don't hold on
For someone else to come along
The time is now
It's up to us
