

# Hero Of The Faith

NewSong

Billy, I remember  
The first time that I saw you  
On our black and white  
I was just a little tyke  
But I remember it well  
Billy, I remember  
Wanting to grow up and be a man like you  
Serve the Lord the way you do  
Yes, I remember it well

And, Billy, through the years  
You've been a great example of faithfulness  
As you stood before the world  
And you proclaimed what the Bible says

We know you don't want to be called a hero  
And, Billy, we know, we understand  
You're just another man  
But you've been so faithful to the call  
And, Billy, you've stood tall  
You're a hero of the faith to us all

Billy, I remember  
The miracle I saw  
When you said, "come to Christ"  
So many came to give their lives  
I remember it well  
Billy, I remember  
Thanking God for sending us a man like you  
Hoping He could use me too  
Yes, I remember it well

And, Billy, through the years  
You've been a great example of faithfulness  
As you stood before the world  
And you proclaimed what the Bible says

And we know you don't want to be called a hero  
And, Billy, we know, we understand  
You're just another man  
But you've been so faithful to the call  
And, Billy, you've stood tall  
You're a hero of the faith to us all

You sure keep it simple  
And you sure preach it plain  
And, Billy, I just wish  
More would preach it just the same

And we know you don't want to be called a hero  
And, Billy, we know, we understand  
You're just another man  
But you've been so faithful to the call  
And, Billy, you've stood tall  
You're a hero of the faith to us all  
You're a hero of the faith to us all
