

The Christmas Hope

NewSong

Her wish this Christmas
Was that Christmas would just pass her by
Nothing could reach her
Or answer her questions why

She feels so alone
And she wonders if all hope is gone

Hope is a candle
A light in the window
Showing the way for
A heart to come home
Hope is a Savior
Who was born in the manger
Sent down from Heaven
To rescue our hearts
Our Christmas hope

She never imagined
That for her there was hope to find
But isn't it amazing
How God brings a heart back to life

She's smiling now she's finding out
What Christmas hope is all about

Hope is a present
A gift freely given
To all who receive
And open their hearts
Hope is a promise
For a better tomorrow
In a world filled with sorrow
We always have hope
Our Christmas hope
Our Christmas hope
