

# El Perdón (Forgiveness)

Nicky Jam

I know you moved on  
I heard you doing better without me  
Girl this is driving me crazy  
Can't you see what you doing to me

She let go  
She killed me when she said it was over  
Now I'm in the middle of nowhere  
And got no space to breath

I'm missing you baby  
Up all night going crazy  
Now my angel can't save me  
Oh no

I'm missing you baby  
Up all night going crazy  
Drinking my pain away...

Girl I'm not with you  
You're not with me  
And I don't like the way it feels

Esto no me gusta  
Esto no me gusta

Girl I'm not with you  
You're not with me  
And I don't like the way it feels

Esto no me gusta  
Esto no me gusta

Can't take the pain  
Can't take the hurt  
I wish that I could turn back time and say I love you  
I'd do anything to make it work, oh

Cuz even through the times they try to hate on us  
The only thing that mattered to me was our love  
Never will I stop, I'll never get enough

I'm missing you baby  
Up all night going crazy  
Now my angel can't save me  
Oh no

I'm missing you baby  
Up all night going crazy  
Drinking my pain away...

Girl I'm not with you  
You're not with me  
And I don't like the way it feels

Esto no me gusta  
Esto no me gusta

Girl I'm not with you  
You're not with me  
And I don't like the way it feels

Esto no me gusta  
Esto no me gusta

I know they say that you're moving on  
But I'm begging you please don't go  
No, I don't wanna let you go, oh no

Yeah you know that I want you back  
Baby I love you to the max  
From here to the moon and back

Girl I'm not with you  
You're not with me  
And I don't like the way it feels

Esto no me gusta  
Esto no me gusta

Girl I'm not with you  
You're not with me  
And I don't like the way it feels

Esto no me gusta  
Esto no me gusta

Dicen que no sabe lo que tiene  
Hasta que lo pierde pero  
Vale la pena luchar por lo que uno quiere  
Y hacer el intento
