

# Lighthouse

Nicky Romero

First light breaks the morning sky  
Chasing the sunrise  
We'll fly across the horizon  
Sail away

We drifted out to nowhere  
Set off with hopes and dreams  
And if you're lost in darkness  
Turn to me Keep breathing

I can be your lighthouse  
If you need it I can be your lighthouse  
Keep breathing I can be your lighthouse  
If you need it I can be your lighthouse

Whoa whoa whoa  
I can be your lighthouse  
Whoa whoa whoa  
I can be your lighthouse  
Whoa whoa whoa  
I can be your lighthouse  
Whoa whoa whoa  
I can be your lighthouse

Let's cruise time to discover how  
Just sway with the waves we found  
Gone with the wind  
So far away

When rocks are underneath us  
Washed up in stormy seas  
Don't let them bring you worry  
Turn to me

Keep breathing I can be your lighthouse  
If you need it I can be your lighthouse  
Keep breathing I can be your lighthouse  
If you need it I can be your lighthouse

Whoa whoa whoa  
I can be your lighthouse  
Whoa whoa whoa  
I can be your lighthouse

Whoa  
I can be your lighthouse  
I can be your lighthouse  
Whoa  
I can be your lighthouse  
I can be your lighthouse  
Whoa  
I can be your lighthouse  
I can be your lighthouse  
Whoa  
I can be your lighthouse  
I can be your lighthouse
