

# Okay

Nicky Romero

I'm on my way

You found your way to my heart  
Knew you were heading there right from the start  
Sangria under the stars  
Lost in an ocean of love

Tell me that you're okay  
Even though you wrote me  
Hate to see you lonely  
I'm on my way

Tell me that you're okay  
Blame it on a Monday  
Take me back to Sunday  
When I'm with you

Together we'll be okay  
We will be okay

Tell me that you're okay  
Even though you wrote me  
Hate to see you lonely  
I'm on my way

I'm on my way  
I'm on my way  
I'm on my way  
I'm on my way

Wish we could only go back  
My crappy guitar trying to play Fleetwood Mac  
You and your toes in the sand  
We had the world in our hands

Tell me that you're okay  
Even though you wrote me  
Hate to see you lonely  
I'm on my way

Tell me that you're okay  
Blame it on a Monday  
Take me back to Sunday  
When I'm with you

Together we'll be okay  
We will be okay

Tell me that you're okay  
Even though you wrote me  
Hate to see you lonely  
I'm on my way  
I'm on my way

I'm on my way  
I'm on my way  
Together we'll be okay

We will be okay

Together we'll be okay  
We will be okay

I'm on my way
